June Hosts Three Events at the Arena

In June, the Complex hosted a one day Hunter Jumper Show with Evermore Farms. Next, we hosted a one-and-a-half-day event with Good Times Barrel Racing Association. Finally, we hosted a two-and-a-half-day event with the Georgia Paint Horse Club (GPHC). This event is the largest ever in terms of gross revenue that the Agricultural Complex has hosted to date. GPHC provided 50 additional portable stalls and our entire facility (stalls & r/v hookups) was sold out. We also sold over 1,200 bags of shavings during the event. GPHC was extremely satisfied and are trying to schedule one more event for 2020 and tentatively plan to have four events in 2021 at this facility.

In June, the facility was also used by the Ogeechee River Soil & Water Committee to conduct their quarterly meeting. We also had Cub Scout Pack 337 host their Blue and Gold Ceremony (where they graduate from Cub Scouts to Boy Scouts).

No events are scheduled in July until the last weekend of the month with a Team Roping event. We will use the time in July to develop and install a misting system for the cattle stored between the arenas. The misting system in conjunction with fans will keep the cattle from being overheated during the summer months. We will continue our work to keep the grounds in good condition and we look forward to two events in August.
