Arena sees Action in August... more to come in September!

During the month of August, the Agricultural Complex held a two-day event with the Horseman's Quarter Horse Association. This event was very successful with 75 riders on hand to show off their horses.

The Complex also resumed a full schedule of Public Riding in August. As the daylight hours shorten, we expect traffic to increase on these weekday nights. We also plan to bring back roping practice to Public Riding hopefully in September or early October.

Local 4-H clubs utilized the practice arena to do the required veterinary work for their show pigs. It's so great to see these kids learning about their animals and how to care for them. We look forward to having more agricultural programs from our schools utilize our facility.

On Tuesday night, September 8, Amazon pictures will be hosting & presenting a drive-in movie event with a premiere of "All-In; The Fight For Democracy " at the Bulloch County Agricultural Complex. Please click on the link <http://allinforvotingpremiere.com/> for movie details, ticket info & pre registration. This is a free event, but you must register beforehand, as space is limited.

We continue to work on the aesthetics and general upkeep of the facility. Several projects going on right now are: installation of a flag pole, exterior fencing and gating; additional crush and run, new cover between the practice and main arena, and more.

Did you know?

Did you know that the Agricultural Complex can host almost any type of event? We've held football camps, a large Trick or Treat event, a dog show, a Boy Scouts ceremony, and so many more events that you may not typically think of hosting at an Agricultural Complex. If you have an event that you may want to host at the Complex, give us a call and we can work out the details! (912) 871-7265
