Did you know?

Did you know that the Agricultural Complex can host almost any type of event? We've held football camps, a large Trick or Treat event, a dog show, a Boy Scouts ceremony, and so many more events that you may not typically think of hosting at an Agricultural Complex. If you have an event that you may want to host at the Complex, give us a call and we can work out the details!

December Full of Fun!

In December we held the Cookies and Cocoa with Santa Event. Parents registered kids for a specific time slot across a 4 hour period so that we could ensure that no more than 50 people were at the event at one time.

Lots of fun was had and kids could speak to Santa as he sat in a truck graciously donated to the event by Bulloch Fertilizer.

The event had crafts, cookies, cocoas and even a letter to santa station, complete with mailbox that will make sure Santa gets letters on time for Christmas! Thanks to Jill Carter with Southern Pottery and Art Studio for joining us for this event. She assisted children with making Santa cookie plates that will provide memories for a lifetime!

The Arena also held a one-day Interscholastic Equestrian Association show with Flamekissed Farms.
